

Writing assignment #4

Uladzislau Bohdan

A company has announced that it wishes to build a large factory near your community. Discuss the advantages and disadvantages of this new influence on your community. Do you support or oppose the factory? Explain your position

Large factories and plants are an essential part of an industrial and post-industrial society we are living in. Production is forming the economy of the region and makes it valuable in a country or worldwide scale. Building a large factory near a community has both advantages such as creating new workplaces and growing of local economy and disadvantages such as ecology and health issues of those living in the community.
